### **Global Maritime Distress and Safety System (GMDSS) Simulator**

Tacloban City - National Maritime Polytechnic recently acquired a new state-of-the-art simulator for Global Maritime Distress and Safety System (GMDSS). This training equipment will be used in the conduct of General Operator's Course for GMDSS, a training course offered at NMP Tacloban Complex for marine deck officers and radio officers. This is in line with the requirement to demonstrate operational procedures using GMDSS communication simulator based on Table A-IV/2 of the STCW Code and Sec. 3.2 of NTC Memo Circular No. 06-12-2009.

For enrolment reservation and queries, please contact the Registrar at telephone nos. (053) 321-3353/56 or email us at [info@nmp.gov.ph](mailto:info@nmp.gov.ph).
