‘Go Green’ highlights NMP anniversary celebration

The National Maritime Polytechnic (NMP) celebrates its founding anniversary on May 1 with the theme **“NMP sa ika 33 Anibersaryo: Masigasig na Pakikibahagi sa Pangangalaga ng Kalikasan”** in line with the environmental protection program and green workplace advocacy of the DOLE.

Starting April, various activities like clean up drive, greening and beautification are taking place at NMP Tacloban Complex. The *Gulayan sa NMP Project* will be launched to coincide with the kickoff of the *Pintakasi/Campus Clean-up* slated every last Friday of the month.

One hundred fruit bearing tree seedlings are requested from DENR for the *Tree Planting* at the NMP Watershed and in the orchard area inside the 15 hectares NMP Training Complex on April 29, 2011 pursuant to President Aquino’s declaration of 2011 as the Year of the Forest. The DOLE-RCC member agencies will be joining the tree planting.

Other similar activities are *Lecture on 4Rs (Reduce, Reuse, Recycle, Reprioritize)*, *landscaping* and *Coastal Clean-up* will be undertaken soon after.

NMP Services Association, the employees’ sole bargaining union, actively partners with the agency in carrying out the different activities of this year’s NMP anniversary celebration.(MARIA SANDRA M. GALLARDO)
